ABOUT TISH

Tish's Dishes was created from a simple belief — food has the power to comfort, connect, and bring people together during life's most important moments.

With a heart for hospitality and a passion for serving others, Tish provides more than catering. She creates welcoming experiences where guests feel cared for, supported, and valued.

From celebrations of life and family gatherings to church functions and corporate events, every detail is handled with professionalism, compassion, and intention.

Food Made with Heart. Service Made with Purpose.
